

REMARKS

Upon entry of the above amendment, claims 23 and 24 will have been amended to depend from claim 20.

The present amendment to claims 23 and 24 has been made to ensure proper dependency of the allowed claims and to clear up a conflict in the record. In particular, the instant amendment provides antecedent basis for the term "joint axis," as recited in both claims 23 and 24. Accordingly, Applicant respectfully requests entry of the present amendment to clarify the record and to ensure proper dependency of the claims.

Applicant respectfully submits that this amendment (1) is needed for proper disclosure or protection of the invention and (2) requires no substantial amount of additional work on the part of the Office. Therefore, entry of the amendment is respectfully requested.

No fee is believed due at this time. However, the undersigned authorizes the charging of any fees required for acceptance of this response as timely and complete to Deposit Account No. 19-0089.

Any comments or questions concerning this application can be directed to the undersigned at the telephone number listed below.

Respectfully Submitted,
